Statement of purpose

We are a community based on the Gippsland Lakes and environs, who enjoy a common interest in classic boating, yachting, and other marine activities.
We exist for the benefit of members to ensure that an inclusive, safe and cost effective boating program and related activities are provided.

Our Strategy to achieve our purpose

We operate as not for profit
We listen to our members' and local community's interests
We hold little assets and do so only to achieve Our Purpose
We are inclusive within the scope of our ability to do so.

Our Club Values

We respect and value others' opinion
We are inclusive and value diversity
We promote the sport of classic boats, cruising, sailing, rowing and other related activities.
We are accommodating where possible to members' of other clubs.

Terms and conditions of membership

The Gippsland Lakes Classic Boat Club inc, public liability insurance policy does not cover water based activities.

It is recommended that all members of the Gippsland Lakes Classic Boat Club inc, provide their own public liability insurance(s) that will provide adequate cover for all or any persons who maybe affected by any misfortune; accident or incident that may occur.

The operator of any vessel will be responsible for the safety of any / all passengers and property, and will exercise caution at all times to ensure safe and responsible operation of any vessel.

The Gippsland Lakes Classic Boat Club inc, members or committee will not be held responsible for the actions of any members or guests who suffer property loss or injury during any water based activities.

Club events will be under the control of the most senior Committee Member present unless the Committee has delegated this authority to a named and nominated individual.
